## **PERSONAL GEAR LIST**

Please Note that all Scouts and Parents/Guardians are asked to use common sense when packing for a camp. Take into consideration the type of Camp it is **and the forecast weather conditions**. Please write the Scouts name on all items that are being packed, with a marker or engraver that will last (i.e. will not come off when washed). 10<sup>th</sup> Caulfield supplies all the eating gear so unless told otherwise, you do not need to bring your own however you are required to bring 2 tea-towels.

**Mobile phones are strictly forbidden** and will be confiscated if brought. If any parent (or Scout) has an issue with this rule, contact Gary Brand for justification. In an emergency (providing we're in range) call Gary's mobile.

If you have any questions, please direct them to your Patrol Leader or one of the Scout Leaders.
